INFORMATION
— FOR —
OFFICERS OF POSTS.

SEMI-ANNUAL reports from Adjutants and Quartermasters, approved by the Post Commander, should be promptly forwarded to the Assistant Adjutant-General of the Department immediately after the last meetings in June and December. The necessity for strict compliance with this rule will be obvious, by reference to Chap. V, Art. 2, Sec. 2, Rules and Regulations, requiring the Department Commander to forward the Consolidated Return to National Headquarters "on or before the 20th days of July and January." If Post Commanders will bear in mind the time required for transmission by mail, the fact that Post Reports must oftentimes be returned for correction, and the labor involved in consolidation, they will see that there is little enough time for Department Officers to comply with the Rules. In absence of the Commander, let the acting Commander approve reports. Both reports should be sent with *Per Capita Tax* in one envelope.
