Tim Ogle writes in Oct 2020: Walter. I just talked to the owner of the School house where the GAR meetings were held in Champion City. He is right in the middle of Harvesting his crops but when he is finished he said I could visit him and look at the old school records he has. When I go back to Champion City I will take photos for you but in the meantime I will see if I can find an old photo at the Museum of the School house for you. ... Tim Ogle
