FINAL MUSTER

A Brother in a Camp, of which I am a member, died on Memorial Day. He was a Marine, an Officer, a Husband and Father - who gave all that he could to help others. This man is an inspiration, and of great significance because of his CHARITY. And I ask myself - am I doing only a little, or am I doing all that I can? Is there anything more that I can do to make this a better world? Who will take his place?
