

Missouri's Last Soldiers Confirmed in GAR

Purpose: The purpose of this list is to provide guidance to camps wishing to honor Civil War veterans regarding the placement of Grand Army of the Republic logos on plaques, tombstones or as grave markers. Only G.A.R. members in good standing are allowed by the SUVCW to have GAR markers placed on their graves by us. Other Civil War veterans are entitled to a Union Star or general Civil War 1861-1865 star.

This rule applies also to grave dedications and markers for Civil War soldiers other than those involved in the last soldier project.

Adair Co
