**Department Commander — Department Meeting
1 March A. D. 2021**

Since my last report, I fear that the virus has taken its toll on our camps. The Lillie, McNeil, and Phelps camps had not met the Form 22 deadline and were suspended. The Lillie Camp continues under suspension. My plan continues to be able to meet with each of the camps before my term is up. However, many of the camps do not feel comfortable to meet in person during the pandemic or do not have the wherewithal to meet online.

These items still need resolution, but I fear some are hampered by the pandemic.

- Strengthen the Spradling Camp. There is currently a Camp forming in Little Rock. A strong Spradling Camp would assist in the chartering of an Arkansas Department.
- Reinstatement of the Lille Camp.
- Officially incorporate three 'members' of the Lille Camp. I have worked to have two of the five in my last report instated as members. Two members have not provided proofs for hereditary membership and have not responded to overtures for affiliate membership. I have not received any paperwork on the remaining prospective member.
- Work with the Tiger Camp and Gentry Tent to move the monument within the Overton Bottoms Conservation area (Cooper County).
- Strengthen the Tiger Camp, which is perilously low on members.
- Validate that each Camp has a valid EIN and that their 990N postcard has been filed.

Again, as a part of the 2021 National Encampment committee, I've been working with Brothers Petrovic and Busch. The event promises to be an excellent encampment. Now it is time for our Camps to participate in many opportunities that the Encampment will provide.

In Fraternity, Charity, and Loyalty,

Sumner G. Hunnewell, Missouri Dept. Commander

Various Reports of Walter Busch for March 13, 2021 Department Business Meeting

I will not be there. I will be on the road and so far the internet has sucked. A wonderful Microsoft update corrupted my computer and I spent 5 days rebuilding it. Microsoft's repair settings wiped my Word and Excel programs so rebuilding those (which is not easy) took large parts of those days. I have all my SUVCW files backed up to the cloud so recovering them is not impossible just time consuming.

Unionist Editor

I've received one article from a member of Wilhelmi camp. Nothing else. I plan to post the department orders and all encampment registration information. I would suggest someone write an article on our awards programs to get some camps involved. I plan to have the issue still out come March 31.

Civil War Monuments with Form 61 Work Still Needed –

Civil War in Camden County - It is on the grounds of the Camden County Historical Society in Linn Creek

Stanbury Cannon – Gentry County Courthouse Park Area -- Have some information on this, but it appears it has been moved and never replaced.

Union Prison Collapse – 1425 So Grand KC – Not returned to location since street work completed

Manchester, MO – Near Ballfield – Campsites used by Both Sides – Not Located Yet Despite Several Attempts.

Kansas City, MO – SUVCW Marker honoring 1916 National Encampment

MISSING? - -- DNR Camp Jackson Marker at St Louis University (? Because Camp Jackson was a Rebel Camp???)

GAR Post Plaques/Markers

Agreed to take on the task of developing an example of a plaque the department and camps can use as a generic marker for the sites of old GAR post buildings. Researching such sites can be as easy as matching up a building's profile in a picture with a building, having someone alive from the 30s and 40s tell you they use to go to a specific building or requires a lot of work as most ads for Memorial Day ceremonies and calls to meetings simply stated "assemble at the Post hall," with no specific address listed. However, once identified the following pages have some examples of proposals for a marker that could be placed inground to identify the building. [See following pages]

Committee of One to “Develop Property/Inventory Forms”

DC Hunnewell came up with a form for accounting for items between the commander and the incoming commander. I don't have a problem with this for an inventory between just two people as it pictures the items. I think it is burdensome to do this department wide and for that reason submit the attached record keeping forms. Also attached are forms I recommend we require for use anytime a person accepts property in the name of their camp or the department.

Department of Missouri – Sons of Union Veterans of the Civil War

Procedures for Acquiring Artifacts and Items

Position: The Sons of Union Veterans of the Civil War are pledged to preserve the memory of the boys in blue and the Grand Army of the Republic. To that end, preserving artifacts of the soldiers is part of our sacred duty. The department of Missouri wants to be clear and honest when dealing with people who wish to donate items to the department or any of its camps. Therefore, any gifts of artifacts or other items (such as a laptop, etc.), shall have either an article of bailment or an article of gift completed for it.

General Procedure: Artifacts or items can be taken into camp or department possession in two ways.

- 1) **Bailment:** This is where a person is loaning the department or camp an item for a period of time (an example of this would be someone presenting an original GAR post flag and allowing us to display it at an encampment) but then wanting it returned. The form *Articles of Bailment* will be filled out.
- 2) **Gift:** A person wishes to donate an item to the department or camp. This becomes the property of the camp or department to do with as they wish. An *Articles of Gift* will be filled out.

Each form will be filled out as completely as possible. If a camera, for example, is being donated to a camp, the brand of camera, model and serial number is the minimum information that should be recorded on a form. If an artifact is being donated, more than one picture of the item (different angles, identifying marks) should be taken and attached with the form.

Special Provision for *Articles of Gift*. A section of the form indicates the intent of the camp/department for the future use of the item. An individual may want to donate a GAR sword, for example, to a camp and want the camp to possess it so that it is preserved for public enjoyment. The camp, on the other hand, may look at it as something they want to sell on E-Bay and make some money. Therefore, the intent must be filled out so that the donor knows upfront what the camp intends to do with it. Example: The department has taken some GAR records recently to be photographed and documented for our website. Both donors were advised that upon completion of the photographing we would donate the artifacts to a museum or library of consequence.

Additionally, especially for gifts, if the donor puts conditions on the gift, those need to be listed on the form. Example: They want it displayed at all meetings with a plaque that says it was donated by them. If those are the restrictions and the camp/department accepts the gift, we must adhere to them.

Forms will be signed by camp commander or department commander depending on who is taking possession of the property. Property taken in by the department may be assigned to a camp's care.

ALL COMPLETED FORMS FOR EITHER CAMP OR DEPARTMENT PROPERTY WILL BE SENT TO THE DEPARTMENT SECRETARY SO THAT PROPER FILES CAN BE MAINTAINED. THE DEPARTMENT SECRETARY WILL PROVIDE A COPY OF THE FORM TO THE QUARTERMASTER FOR ALL PROPERTY OWNED BY THE DEPARTMENT!

CAUTIONS:

1. We rely on our members to keep many of the items in their houses due to a lack of storage owned by camps/the department. People wanting to donate true artifacts to us should often be encouraged to instead donate them to a museum/library of consequence. By consequence, we mean such as the State Historical Society in Columbia, the Department of Natural Resources Historic Sites and State Museum, Wilson's Creek NHS, US Grant NHS, Missouri Historical Society, etc. Local museums should generally be avoided because many do not have good procedures and security to ensure the preservation of the artifacts.
2. Should a camp or department accept an artifact, it is the responsibility of the camp or department to retrieve the item from individuals who leave the organization or pass away. This means that if a member passes, you must retrieve the property! If the family refuses to give it to the camp/department, the camp or department is expected to proceed with court action, such as through a lawsuit or through replevin. The department considers it the camp's and department's fiduciary responsibility to retrieve artifacts that are in our possession.
3. Accepting a donation of an artifact may well cost a camp or department money not only to recover it above, but to preserve it. It is for that reason that artifacts are often better in the possession of a museum/library.

It would be hoped that some day in the future, the department will possess its own building. That would be great! At that point we would be in a position to obtain, hold, and display artifacts.

Finally, for all property of a camp or department, yearly accountability should be practiced. Any member that has property of the camp/department should sign a form provided by the department (or similar statement) that acknowledges possession of SUVCW property.

Notes:

1. Some members may have property that belongs to a camp and also have other property belonging to the department of Missouri. Separate forms should be filled out on both.
2. This form should be filled out for all property that a member has that is possessed by him.
3. It is recommended that artifacts have pictures taken of them annually and submitted along with the form so that any deterioration may be noted and action, if necessary, be taken.

The department of Missouri recognizes that possession of camp or department property is a responsibility that a member has taken upon himself. We thank the member who has done so and only ask that he takes this responsibility as seriously as possible. You are honoring the boys in blue and the care you provide helps ensure our efforts to preserve artifacts and provide educational opportunities to future generations.

Greetings Officers & Members of the Department of Missouri – S.U.V.C.W.:

Unfortunately, I am unable to attend the Department Business Meeting due to scheduling conflicts at this time. It was an honor to be asked to serve as the Dept. of Missouri's Eagle Scout Coordinator for the 2020-21. Having been a former scout, as well as a current Cub Scout leader, I have always tried to honor the principles of both the S.U.V.C.W. and the B.S.A. Over the years, it has been my honor to attend many Eagle Scout Courts of Honor, and I would like to encourage camps to participate in the giving of our award. Having members of our order to attend these ceremonies is extra special for these youth.

While the certificates are available through the National Online S.U.V.C.W. Quartermaster Store (http://www.suvcw-qm.org/manage.numo?module=shopping_cart&component=catalog&cid=6), our own Department of Missouri has previously had a challenge coin made, and after speaking with Department Commander Hunnewell, it appears we are still awaiting the National Organization's plans regarding these and the possibility of some changes.

Since October, I have only had limited contact about our Department's request for Eagle Scout Awards. We were also asked in February to present to some of the first female Eagle Scouts in Missouri, and I hope that representation was sent. After forwarding these to the nearest camp, I never heard, nor had any additional information (photos, etc.) whether they were officially presented:

January 8, 2021 – Request for Aaron Volk – sent to Westport Camp (Michael Lundeen)

February 23, 2021 – Request for 5 Eagle Scout Awards – Adrianna Aley, Aaydn King, Dalyah Rybolt, Elizabeth Stephenson, Joslin Ungels – sent to Westport Camp (Michael Lundeen – with a follow up phone text)

If I can assist camps in any way through this program, please do not hesitate to contact me. The best way to reach me is through my personal email or by cell phone (texting is best, but I am available for talk 4:00 p.m. – 8:00 p.m. Monday – Friday – as I work for a public school, and available most of the time on weekends). I look forward to hearing of many awards being presented throughout this coming year!

Yours in Fraternity, Charity, & Loyalty,
