Sr. Vice Dept. Cmdr.

1 November 2003: Special Department Meeting

Senior Vice Department Commanders report:

On the other side is the article submitted to The Banner. What issue it will appear is unknown at this time.

I will not be at this Special Department Meeting as myself and Jack Grothe will be in West Point, New York for Brother Doug Niermeyer installation as Commander-in-Chief, MOLLUS. Doug was a member of our camp and is now a member of the Wilhelmi Camp. To my knowledge, Jack, myself, Gene Beals, and Dan Avary are the only Missouri Commandary, MOLLUS, who will be in West Point.

Questions I would like to see the answer.

- 1; Since the change on our department bylaws were approved last November, and signed this past June. What is the date National has approved these changes?
- 2; Update on the progress of the use of the 'voucher' system for expenses?
- 3; Since at our Department Encampment we only had three figures for the departments treasures report, what is the written treasures report?
- 4; I request a copy of the minutes of the Departments Encampment.
- 5; How can we improve the communication with the various camps, if we do not have the information who the officers are?

I remain at your service in Fraternity, Charity, and Loyalty
