Camp Information

Camp Name Camp #
City/Town County State

Brief History of the SV/SUV Camp(use separate document if necessary):

No records have been found relating to this camp. However, one ladder medal has been found on the web which indicates the original owner was from Camp 160

And Fort Davidson State Historic Site has an original engraving block of Wm. J. Schwab of Ironton. He is wearing a kepi with "160 S.V." on it. (Accession # 65.2000.001.0001) This would indicate membership in the SV and the camp being 160. So, most likely this camp was in the area of Ironton, Arcadia, or Pilot Knob

Meeting Facility

Structure Still Exist? Yes No Unknown Type of Building: Stand-Alone Shared-Use

Identify Specific Location:

Probably not. GAR meet in a building on the SE corner of Russell and Shepherd Sts in Ironton. The building is no more. However, a 3 story masonic hall exists in town and it may have been the meeting place. Another meeting place for the GAR was the Union church on the Fort Davidson battlefield. at Lucas & Maple in Pilot Knob. That building is gone also.
