For those that don't want the catered lunch, Lewis Café is less than a block away. Lewis' serves home style meals and the owner raises his own beef and pork. The pies are locally famous. At the other end of the block is Bootheel BBQ. They also serve breakfast besides barbecue. Of course, we have a McDonalds, Taco Bell and Subway. Subway is within walking distance of the Budget Lodging. For after the meeting there is Tres Toritos, St. Clair's Mexican restaurant.

Preregistration must be completed by May 18, 2019, if we do not have an exact number of people eating by then we get charged for 30 people. Mail check written to “Department of Missouri SUVCW” to: Walter Busch, 1240 Konert Valley Dr, Fenton, MO 63026.

For the Family ---

In the area is Onondaga Cave State Park, Meramec State Park, Meramec Caverns (the supposed hide out of Jesse James). All of these also have camping available. State Park camping probably cheaper than Meramec Caverns.

There is shopping in St. Clair, but old town Washington, MO offers some unique opportunities including Missouri Meerschaum Pipes.

Pacific, Eureka and St. Louis are not so far away with additional shopping. Eureka also is the home of Six Flags.
