

# Arkansas Sons of Union Veterans

## Commanders

Not much is electronically available regarding Arkansas Commanders of the Sons of [Union] Veterans. Being a southern state, it was most likely hard to keep enough camps interested to maintain department/division status. It is believed that Arkansas was not a separate division after 1915 and that 1889/1890 is when the division was able to first organize.

If you have any information on past Arkansas Sons of Veterans Commanders, please share it with us by contacting Walt Busch
