### FOOD SAFETY & ALLERGENS:

Menu items are cooked to order. The FDA advises consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. We openly handle several allergens throughout our locations, including dairy, soy, tree nuts, (e.g., almond, coconut, etc.), egg, wheat and others. While we take precautions to keep ingredients separate, we cannot guarantee that any of our beverages or food items are allergen free as we use shared equipment to store, prepare and serve.

Before placing your order, please inform your server if a person in your party has a food allergy.

Rich and Sally Syberg

Our adventure started on a cold St. Patrick's Day in 1980; Sally & Rich Syberg along with their family opened the doors to the original Syberg's Gravois location and it's been a fun adventure ever since.

Their children and grandchildren continue their family values, love and traditions as they are truly a family that works together, plays together and grows together. This menu cover is a tribute to the last 40 years of our Syberg's Family of Restaurants and our father Richard Syberg, who had an infectious smile and instilled hard work into everyone he met; we will continue to strive to make him proud.
