**Historical Markers and Mounuments Review**

**Department of Missouri Commanders and Members –**

Gentlemen of the Department of Missouri – Several years ago it was suggested that a review of historical marks and monuments in the state of Missouri needed to be reviewed every five years.

Therefore, I am asking that each camp take time to review any historical markers or monuments in your area. If you find any in need of repair, please take photos and record what damage you notice. Please contact and submit your information to Brother Walt Busch, PDC / Historical Records Coordinator or Glen Alsop, PDC/ Graves Registration Officer. Then we can address any issues before the historical marker or monument deteriorates beyond repair.

Issued this 28<sup>th</sup> Day of June 2025,

:

Mark Coplin, PCC  
Commander  
Department of Missouri

Gary Scheel, PDC  
Secretary  
Department of Missouri
