

# Edward W. Gottschalk 1894

Member of General John W. Noble Camp #47 of St. Louis, MO.

Believe him to be the same person who was born April 23, 1853 and died November 4, 1918 and was a lawyer in St. Louis. If that is true, he was cremated and buried later at Bellefontaine Cemetery. Father was Frederick Gottschalk. But that information needs to be confirmed.
