

Dr. Louis Drechsler 1917

Dr. Drechsler was born on 10 Oct 1866 in St. Louis to William Drechsler and Caroline Lohrmann , both of whom emigrated from Germany. Apparently single throughout his life, he became a physician and resides for a while at 2701 Blair Ave. In 1899 he is listed as a deputy coroner for the city of St. Louis.

He died on 28 Jun 1918 due to facial cancer and is buried in Valhalla Cemetery.
